

Chefmates Review

The Finale of Immersion Course

10/23/20

A top-down view of various fresh ingredients and spices arranged on a dark, textured wooden surface. In the upper left, there's a green cucumber, a potato, and some green leafy herbs. Below them are green beans and a small jar of mixed peppercorns. To the right of the beans is a jar of red powder (likely paprika) and a jar of white powder (likely salt). Further right are two bay leaves and a sprig of fresh basil. In the lower left, there are several red tomatoes, two orange carrots, and a whole yellow onion. The lighting is warm, highlighting the textures of the wood and the freshness of the produce.
